**Super Heavy** drivers will be weighed at pre-tech without racing equipment.

**Qualifying** – We will qualify in groups. A pill draw is done at registration and will determine your group. No-shows for pill draw will be assigned to the first group.

**Grid rules:** You must be on the grid in the proper qualifying group to qualify. If the driver is not in their assigned group, the driver will start at the rear of the field with no qualifying time.

For main events, the 90-second clock and horn will be enforced. All drivers should be ready and in their starting position. If not, the driver will start in the rear of the main event.

**Rookie** - Trophies to top 3. Plaques to the rest of the field. If the Rookie class is split into two groups, the top 3 trophies will go to the winners of Rookie Group A; all others will receive plaques. The Prelude Rookie does not receive awards.
